CNJ

Consciousness: A Neuroscience Journey

MARCH 25 | 10AM-6PM

VIMM - SALA SEMINARI

(VIA ORUS 2, BUILDING A, GROUND FLOOR)

DNS Dipartimento NeuroScienze

PADOVA neuroscience CENTER

AWARENET

VIMM

Consiglio Nazionale delle Ricerche

Join us to explore brain conscious perception. This seminar will follow sensory signals into conscious experience, bringing together insights from animal and human research using a variety of neuroscientific methods and data-analysis strategies.

Visit us for more details!

CNJ 2026

Consciousness: A Neuroscience Journey

Seminar Program

10:00 h - 10:30 h	**Registration and Welcome Coffee**
10:30 h - 10:40 h	**Pietro Avanzini** - *CNR - Institute of Neuroscience* AWARENET project overview
10:40 h - 11:00 h	**Bita Darabi** - *University of Padova* Human Consciousness: Where we are?
11:00 h - 11:20 h	**Catalina Campuzano** - *University of Padova* Conscious Perception and Awareness in Mammals
11:20 h - 11:40 h	**Emma Maria Tosato** - *University of Padova* The AWARENET Tool: predicting consciousness Alterations Based on the Functional Disconnectome
11:40 h - 12:00 h	**Antonio Luigi Bisogno** - *University of Padova* Neglect and stroke
12:00 h - 13:30 h	**Lunch Break**
13:30 h - 13:50 h	**Ambra Ferrari** - *University of Trento* How the brain controls multisensory perception
13:50 h - 14:10 h	**Andrea Pigorini** - *University of Milan* Brain Complexity
14:10 h - 14:30 h	**Ezequiel Mikulan** - *Università degli Studi di Milano* Unifying scalp and intracranial correlates of somatosensory awareness through simultaneous recordings in humans
14:30 h - 15:00 h	**Light Coffee Break**
15:00 h - 15:20 h	**Livia Vignozzi** - *VIMM* Eyes on the task: shedding light on the hippocampus' role in visual perceptual learning
15:20 h - 15:40 h	**Ilaria Siviero** - *University of Verona* Can AI isolate the neural correlates of consciousness?
15:40 h - 16:00 h	**Andrea Zangrossi** - *University of Padova* Awareness and perception in forensic
16:00 h - 16:30 h	**Round Table with speakers**
16:30 h - 17:30 h	**Good Bye Aperitivo**
